

Join Us for a **FREE** Sexual Violence Prevention Webinar

**The Sex Abuse Treatment Center**  
**A program of Kapiolani Medical Center for Women & Children**

Sexual Assault Awareness Month (SAAM) and National Child Abuse Prevention Month are a reminder that sexual violence is widespread and affects all of us. Its prevention requires a community response.

Please join us on a Tuesday or Thursday to learn about child sexual abuse prevention strategies to keep our keiki safe.

The webinars are **open to parents/legal guardians and school personnel** within the Hawaii State Department of Education.

Participants will also learn about the dynamics of disclosures and how to respond to them, protective factors, and the Sex Abuse Treatment Center's K-12 sexual violence prevention curricula.

Please note: This is not a training series. If you have multiple children, you only need to attend a training based on your children's grade level once.

<b>Elementary: Sexual Violence and SATC Curricula Overview (Grades K-5)</b> Select one - click on the date and time to register.	<b>Secondary: Sexual Violence and SATC Curricula Overview (Grades 6-12)</b> Select one - click on the date and time to register.
